#### Piano Addendum 2011-2012

Page 86: Under Repertoire Requirements delete the bullet point "The Etude must be a different composer (Example: not a Chopin Etude and a Chopin piece)."

#### **New for 2012 Evaluations:**

- Advanced Level students may now play an Etude that is by the same composer as another piece that the student is playing. For example, the student is allowed to play a Chopin Etude and a Chopin Nocturne.
- Advanced Level students must still play an Etude from the Etude List on pages 92-96. In the past, not playing an Etude from the list resulted in an RAL rating. Beginning with 2012 evaluations, students who play an Etude that is not from the list will receive an IC rating.
